Enter a valid work email address.

Incident category

Near miss

Datum završetka korektivne radnje

Description

Describe what happened and the immediate action taken.

03 Data table

Header, default row and hover treatment.

ROW STATE	INCIDENT	SITE	STATUS	REPORTED
Default	Blocked access route	Riverside Tower	REPORTED	14 May 2025
Hover	Falling material near miss	Northgate Residences	UNDER REVIEW	13 May 2025

04 Status chips

Semantic chip families use distinct, high-contrast combinations.

DAILY LOG STATUS

DRAFT · SIGNED OFF · REOPENED

INCIDENT STATUS

REPORTED · UNDER REVIEW · SIGNED OFF · CLOSED

CORRECTIVE ACTION STATUS

OPEN · DONE · OVERDUE

SEVERITY

LOW · MEDIUM · HIGH · CRITICAL

05 Feedback

Flash messages use icon, text and colour together.

Daily log saved
Your changes are ready for sign-off.

Unable to submit incident
Complete the required investigation fields.

Reopen request pending
A Safety Supervisor will review your request.

06 Crew assignment row

Columns allow Croatian labels to grow without truncation.

Crew / Radna grupa	Hours worked / Odrađeni sati	Worker count / Broj radnika	Task / Izvršeni zadatak	Remove
Concrete crew A	9	14	Pour and level slab	×

07 Toggles and modal

On/off switches for account and crew status, and a modal dialog for short focused tasks, shown with its validation error.
